

## our mission.

---

*To provide a quality,  
Christian education that  
meets the spiritual,  
academic and social  
needs of each child.*

---

## what do we offer?

Next Generation Academy offers quality elementary education centered on Christian values. We will provide a safe, pleasant atmosphere where students thrive spiritually, academically, and socially. We will also offer a community of supportive teachers committed to the growth of each student and the well-being of the family.

## who are the staff?

Our teachers have years of classroom experience and are dedicated to the success of the student.

## what is the cost?

We want our school to serve families from diverse backgrounds and every economic standing. We believe a Christian education is an investment for your child's future. An investment you will never regret. If you are a family that finds the tuition cost prohibitive, we encourage you to apply for a scholarship. For more information regarding tuition, feel free to contact us.

*To equip students in  
passing on God's story to  
the next generation*
